

Environmental Performance Measures Record Keeping Requirements for Drinking Water Network Operators Notice 2023

This notice issued pursuant to section 146(1) of the Water Services Act 2021 (“Act”) by the Chief Executive of Taumata Arowai – the Water Services Regulator (Taumata Arowai), acting under delegated authority, requires drinking water network operators to keep and maintain records relating to compliance with applicable environmental performance measures.

Notice

1. Title

This notice is the Environmental Performance Measures Record Keeping Requirements for Drinking Water Network Operators Notice 2023.

2. Purpose

The purpose of this notice is to set record-keeping requirements for drinking water network operators relating to compliance with the environmental performance measures for drinking water networks published under section 145 of the Act on 30 June 2023.

3. Empowering Provision

Water Services Act 2021, section 146(1).

4. Commencement

This notice comes into force on **1 July 2023**.

5. Record Keeping Requirements

Drinking water network operators must keep and maintain records of the information listed for the applicable class of network in the document Network Environmental Performance Measures and Guide June 2023, published on the Taumata Arowai website <http://www.taumataarowai.govt.nz>.

Network operators must provide the records kept and maintained in accordance with this notice to Taumata Arowai for each reporting period of 1 July to 30 June, by no later than 30 September each year.

The records must be provided electronically on a template sent to network operators by Taumata Arowai.

6. Administering Agency

Taumata Arowai is the administering agency for this notice.

7. Secondary Legislation

This notice is secondary legislation as defined in the Legislation Act 2019.

8. Revocation

This notice continues in force until it is revoked or replaced.

Dated at Wellington this 30th day of June 2023.

ALLAN PRANGNELL, Chief Executive, Taumata Arowai.
